

A WARM WELCOME TO THE RESTAURANT AT THE LION

Steve Buck, our Head Chef and Li Burton, our Sous Chef, work with local producers where possible to gather the ingredients they require to showcase and present some of Cambridgeshire's finest produce. We hope you enjoy your evening and that it reflects the hotel's historic surroundings and heritage in an atmosphere that is elegant, traditional and charming.

Steve writes:

I wish to offer you the warmest welcome from myself and my kitchen team here at The Lion.

I pride myself on freshly prepared food and all of our main courses are cooked to order. This may mean that there may be a slight wait for some dishes, but this guarantees the highest quality food for you, our guest.

Here at The Lion we aim to cater for all dietary requirements, please speak to your host if you have any questions and we will do our best to meet your needs.
